Group Health Insurance Scheme

Health Insurance is being recognised by New Zealanders today as an extremely valuable cover to have.

Waterstone Insolvency also recognise this need and has put in place a Group Health Insurance Scheme offered to all employees after being employed for 6 months, which is underwritten by Southern Cross and administered by Group Health and Life Ltd.

COMPANY OFFER

Waterstone Insolvency will pay the premium for employees to the level of VIP 1. There are also certain costs associated with the administration of this scheme, which will be absorbed by Waterstone Insolvency.

By doing this Waterstone Insolvency has secured you access to benefits and concessions which otherwise would not be available.

Some of the benefits of joining this Group Scheme are:

- ❑ **Preexisting Conditions Cover.** Pre existing conditions covered for eligible employees and their families. To gain this concession you and your family members must join within 30 days of becoming eligible with Waterstone Insolvency.
- ❑ **Immediate Cover:** Private individuals are usually required to hold insurance for 3 months before they can claim. For Waterstone Insolvency members, this stand-down period is waived and immediate cover is provided.
- ❑ **Cheaper Premiums:** Waterstone Insolvency has secured Group Rates for their employees.
- ❑ **More than one Option:** Southern Cross's VIP Plans provide an excellent range of building block style options that are additions to a quality hospital base plan. These plans cater for employees individual differences.
- ❑ **Excellence in Service:** Group Health and Life provide an excellent service. They will personally explain the benefits & help fill out the application form with Waterstone Insolvency employees. If a problem arises, you have access directly through their 0800 number to make sure it's sorted out.

Why the Need for Health Insurance?

There are a number of important reasons why you should have health insurance. Here are just a few:

- ***Financial Security*** - Health insurance gives you the security of knowing that when you do get sick, the financial element of obtaining the health care you need is taken care of. At a stressful time when you should only be thinking about getting well again the worry of paying the medical bills is removed.
- ***Access*** - For many people public hospital waiting lists are a concern. As at March 2000 over 51,000 people were on waiting lists and there are now some medical services that realistically are no longer available through the public system. Health insurance offers the comfort of knowing you can get the best treatment available quickly when it is needed.
- ***Family*** - Many people have a greater concern for health issues when they start a family, particularly in the first few years, as this can be an expensive and worrying time. Health insurance can help you concentrate on keeping your family in good health and not worry about the costs.

Your health is your most important asset and having health insurance will help you achieve your goals in life.

Effective date: 1 August 2016

Choose the right plan for you and your family

It's important to consider which plan will best suit you and your family's needs in the long-term. If you wish to upgrade your plan later you may not be able to transfer cover for pre-existing health conditions.

Any changes to the benefits on your policy can only be done on the next premium anniversary of the policy and conditions may apply.

If you don't add your partner or spouse when you first join, you will need to wait until your next annual policy renewal date to add them to your policy. If you get married or enter into a de facto relationship after you have joined Southern Cross, your spouse/partner can be added to the policy at the first policy premium anniversary date after the establishment of the relationship or marriage, and receive the same scheme concessions (ie qualifying pre-existing conditions covered after 3 years). Your partner or spouse can also be added at any other time, however they will need to complete a full application and medical declaration, and pre-existing conditions may be excluded from cover.

What you need to know when you leave your employer

If you leave Waterstone Insolvency and would like to continue your health insurance policy, please contact your Adviser to discuss your options.

Why get health insurance?

With health insurance you'll have:

- faster access to treatment by avoiding public hospital waiting lists
- less financial stress by reducing your costs of private treatment and time off work
- more choice of when and where you receive treatment for qualifying conditions.
