

# HEALTH SCOPE OF ENGAGEMENT

## Why we are here;

We were brought in by Milmeq to help you understand the group health scheme. You can draw on our experience of over a decade helping people like you find the right kind of health cover. We specialise in looking after groups schemes and your personal risk like;

- Health Insurance
- Life Insurance
- Income & Mortgage Protection
- Trauma Cover
- Permanent Disability Cover

## How we fit in

## Our advice to you;

For now our advice is only covering the group health scheme included in this pack. If you want us to help you with other cover just circle which ones below and we can organise a time to catch up.

### The Slippery Slope: the what and when to cover
