# MILMEQ

## Group Health Insurance Scheme

Health Insurance is being recognised by New Zealanders today as an extremely valuable cover to have. Milmeq also recognise this need and has put in place a Group Health Insurance Scheme offered to all employees which is underwritten by Southern Cross and administered by Group Health and Life Ltd.

### **COMPANY OFFER**

Milmeq will pay the premium for all employees to the level of Wellbeing 2. Members can add their partner and children under the age of 21 to their policy at their own cost. There are also certain costs associated with the administration of this scheme, which will be absorbed by Milmeq.

By doing this Milmeq has secured you access to benefits and concessions which otherwise would not be available.

### **Some of the benefits of joining this Group Scheme are:**

- ❑ **Preexisting Conditions Cover.** Pre existing conditions covered for eligible employees and their families. To gain this concession you and your family members must join within 30 days of becoming eligible with Milmeq.
- ❑ **Immediate Cover:** Private individuals are usually required to hold insurance for 3 months before they can claim. For Milmeq members, this stand-down period is waived and immediate cover is provided.
- ❑ **Cheaper Premiums:** Milmeq has secured Group Rates for their employees.
- ❑ **More than one Option:** Southern Cross's Wellbeing Plans provide an excellent range of building block style options that are additions to a quality hospital base plan. These plans cater for employees individual differences.
- ❑ **Excellence in Service:** Group Health and Life provide an excellent service. They will personally explain the benefits & help fill out the application form with Milmeq employees. If a problem arises, you have access directly through their 0800 number to make sure it's sorted out.

### **Why the Need for Health Insurance?**

There are a number of important reasons why you should have health insurance. Here are just a few:

- ***Financial Security*** - Health insurance gives you the security of knowing that when you do get sick, the financial element of obtaining the health care you need is taken care of. At a stressful time when you should only be thinking about getting well again the worry of paying the medical bills is removed.
- ***Access*** - For many people public hospital waiting lists are a concern. As at March 2000 over 51,000 people were on waiting lists and there are now some medical services that realistically are no longer available through the public system. Health insurance offers the comfort of knowing you can get the best treatment available quickly when it is needed.
- ***Family*** - Many people have a greater concern for health issues when they start a family, particularly in the first few years, as this can be an expensive and worrying time. Health insurance can help you concentrate on keeping your family in good health and not worry about the costs.

**Your health is your most important asset**

Effective date: 4 January 2017

### Contact your Adviser

Adviser name: Ben Shirley of Group Health and Life Limited

\* Please contact your Adviser or HR Administrator if you have any queries regarding your eligibility.

## Choose the right plan for you and your family

It's important to consider which plan will best suit you and your family's needs in the long-term. If you wish to upgrade your plan later you may not be able to transfer cover for pre-existing health conditions.

If you don't add your partner, spouse or children when you first join and want to add them at a future date they will not be covered for pre-existing conditions. If you'd like to add them at any other time, Southern Cross reserves the right to specify the terms of your partner's addition to the policy and to exclude cover for pre-existing health conditions. They will also need to complete a full medical declaration.

## What you need to know when you leave your employer

If you leave Milmeq Limited and would like to continue your health insurance policy, please contact your Adviser to discuss your options.

If you leave within 12 months of joining and wish to retain cover, you will lose your cover for any pre-existing conditions or developed conditions which may have been previously covered by your plan, ie your policy will effectively start again.

If you leave after completing 12 months of continuous cover on the plan named on your Membership Certificate, you will continue to receive cover for qualifying pre-existing health conditions, while the plan named on the Membership Certificate remains in force continuously.

## Why get health insurance?

With health insurance you'll have:

- faster access to treatment by avoiding public hospital waiting lists
- less financial stress by reducing your costs of private treatment and time off work
- more choice of when and where you receive treatment for qualifying conditions.

## You get more with your Southern Cross membership
